Dear Lee,

On behalf of the Board of Directors and memberships of the International Builders Exchange Executives (IBEE) and the Chief Operating Officers of the Canadian Construction Association (CCA), please accept our thanks for the wonderful job you did in presenting *Web Sites that Work* at the 2006 Annual Convention last week.

We appreciate the time you took to prepare this presentation and your willingness to share your expertise with the IBEE and CCA memberships. Thank you also for supporting this event as a Luncheon Sponsor. Your contribution was much appreciated.

Finally, thanks for sharing your outstanding skills as a dancer on Friday and Saturday evening; and "pitching in" to help us prepare the video retrospective. Your versatility is remarkable and your ability to enjoy the moment is infectious. Those are rare and admirable traits that are much admired by our group.

We will forward some photographs of the event for your use as they become available. Again, thank you for taking the time to travel to Banff on our behalf and the thought-provoking presentation. Please don't hesitate to contact us in the future if there is anything we can do to be of assistance to you or your organization.

Sincerely,

Brenda Romano
Executive Vice President
